About Program:

Students of Genesis Institute of Pharmacy celebrated the Traditional Day to promote “Unity in diversity “which is based on the concept where the individual or social differences in physical attributes, skin color, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole

Traditional Day was held on the 7th of January 2020 at the college. It was an eventful day. It was observed as a celebration of India’s diverse culture. It’s a day designated for people to come in traditional attire from their home state, or specific culture of their choice.

Event was started with performance of Asmita Wagare’s singing performance. Principal addressed the gathering and explained the richness of Indian culture, traditions and gave motivational speech.

The celebrations were followed by cultural programs where the DCP-I students had a blast showing their talents on the stage which included ramp walk, dances and singing. Students were completely in their high traditional competitive spirit. Their inner creativity and potentialities were driven through these traditional competitions. Shivani Tipugade and Sanyukta Patil were anchoring exciting Fishpond Event. Sonali Patil, Varsha Bujare, And Prajval Chndam were winners for Antakshari event where as Rumana Nawalekar were winner for Mehendi competition.
