### About Program :

The Industrial Visit to S.G.Phytopharma Pvt Ltd, Kolhapur was organized by Genesis Institute of Pharmacy on 28<sup>th</sup> Dec 2019. All in all there were 60 students of DCP-I who actively participated in the visit which was successfully coordinated by Miss. Piyusha Nejdar and other teaching and non-teaching staff. We started our journey at 8:30 AM from Radhanagari and reached our destination at 10:30 AM. A brief Introduction about industry was given by Mr. Sagar Tare, Production Manager. Firstly we were taken in gowning room and provided with apron and caps. The first unit we visited Production unit. We were informed about different process operations like sifting, mixing, drying, store etc. We visited to raw material and packaging material warehousing area where we got to learn how the raw and packaging materials are stored and labeled and we have seen different types of labels with different colours fixed on containers indicating its batch number, lot number, issue date, expiration date, retest date, and storage conditions. Later we visit to Packaging unit. A brief Introduction about packaging unit was given by Mr. Netaji Patil. The whole packaging area was divided into two parts like primary packaging area and secondary packaging area. In primary packaging area different packaging systems were there like blister packaging and bottle packaging. We were introduced to Quality control lab where everything was tested. Finally we gather in the conference room where the HR. gave us the overview about different products, plants of S.G.Phytopharma and their growth, achievements and

cultural activities. Lastly, we ended the visit by clicking a group photograph at 2:15 PM and we moved out of plant.

Genesis Institute of Pharmacy Radhanagari organized Industrial visit on 28 December 2019, In presence of Principal Mr.Shobhraj Malavi, Program coordinator Ms. Piyusha Nejdar, All Students & all the members of teaching and non-teaching staff.
